CROWN RECORDS MANAGEMENT ACHIEVES PRISM PRIVACY+ CERTIFICATION

HONG KONG, October 10, 2012 --PRISM International, a global trade association for information management service companies, has awarded Crown Records Management its prestigious Privacy+ Certification for professional achievements and dedication to the information services management industry. This certification demonstrates Crown's continuing commitment to providing exceptional service in protecting the privacy information of customers.

Strict requirements must be met to achieve PRISM Privacy+ certification. Companies in the commercial information management industry must assess their operations to ensure compliance with regulatory privacy requirements, with specific audits and controls to safeguard client information in paper and electronic records to reasonably protect the confidentiality, integrity and availability of client information and ensure against unauthorized access.

Through its committed efforts to continuous improvement, Crown Records Management is pleased to have met the requirements of PRISM International's program and been awarded Privacy+ Certification.

For more information on Privacy+ certification, please see: www.prismintl.org/privacy-certified-companies
